¹ *Leadership Victoria is a community based, not-for-profit organization that provides emerging decision makers with opportunities to develop and practice leadership skills. Working collaboratively with eminent leaders from all sectors, Leadership Victoria constructs and delivers a challenging, life-enriching nine-month action study program that identifies, motivates and hones the skills of emerging leaders. Since its inception in 2000, the program has graduated over 125 self- and company-identified participants whose legacy has been over 20 community projects. www.leadershipvictoria.ca.*
